where children choose fun

The **HOLIDAY CLUB** and

**BEFORE & AFTER  
SCHOOL CLUB**

## Solution for Schools & Academies

Fun Fest operates in numerous schools across the UK where it delights its customers with high quality, child-centred care for children from 3 years old.

Fun Fest generates an income for schools by paying to rent their premises in out of school hours and then does all the work associated with setting up and running these services: Ofsted registration, marketing, recruitment, website booking and payment system, insurance, risk assessments, policies.

Fun Fest Holiday Clubs offer children a choice about how they spend their holidays. With a menu of exciting activities every morning and afternoon, each child can design their own unique holiday programme:

Mission Impossible, Beauty School, Treasure Quest, Picture Perfect, Great Outdoors, Jewellery Making, Harry Potter Experience, Cupcake Heaven, Sublime Slime, Nerf Challenge, I'm a Kid Get Me Out Of Here

**Business Manager,  
Saint Martin's School, Solihull**

*"We have hosted Fun Fest holiday clubs for nine years on our site in Solihull. The concept works really well using our facilities outside of our normal school activities to provide childcare for parents in a stimulating environment. They provide a range of activities for the children, undertaken by a team of friendly, professional staff and we look forward to continuing our relationship with Fun Fest"*

Fun Fest Before and After School Clubs provide a different Fun Fest activity session every afternoon so that children can enjoy a variety of different after school activities:

Pottery, Dodgeball, Barmy Origami, Tag Rugby, Fun Day Friday
