

where children choose fun

HOLIDAY CLUB

Solution for Schools & Academies

Fun Fest operates in numerous schools across the UK where it delights its customers with high quality, child-centred care for children from 3 years old.

Fun Fest generates an income for schools by paying to rent their premises in out of school hours and then does all the work associated with setting up and running these services: Ofsted registration, marketing, recruitment, website booking and payment system, insurance, risk assessments, policies.

Fun Fest Holiday Clubs offer children a choice about how they spend their holidays. With a menu of exciting activities every morning and afternoon, each child can design their own unique holiday programme:

Mission Impossible, Beauty School, Treasure Quest, Picture Perfect, Great Outdoors, Jewellery Making, Harry Potter Experience, Cupcake Heaven, Sublime Slime, Nerf Challenge, I'm a Kid Get Me Out Of Here

HOLIDAY CLUB

**Julie O'Sullivan,
Business Manager, Sacred Heart
Catholic Primary School**

"The Fun Fest holiday clubs have been such a success with the children from our school. The demand has been such that Fun Fest have had to request more space in school!

Mandy and her team work so hard to provide the children with exciting things to do and there is a wonderful fun atmosphere in the air.

I have found Mandy to be most professional in my dealings with her and she is extremely committed to ensuring the success of the clubs. I have been very impressed with the way the team have returned the school to us just how they found it."
