

Mobile Phone and Wearable Technology Policy

Fun Fest accepts that mobile technology is part of the ever-changing digital environment that we live and work in. We continue to foster a “culture of safety” in which the children and staff are protected from abuse, harm and distress. Therefore, Fun Fest has a clear policy on the acceptable use of mobile phones, tablet computers and wearable technology that have imaging and sharing capabilities that is understood by everyone: staff, children and parents.

Abiding by the terms of the club’s policy ensures that we all:

- Protect children from harm and abuse

- Prevent staff from being subject to false allegations
- Help staff remain focused on the good quality of care of the children
- Work in an open and transparent environment
